Kimberly, Thank you for the invitation. I will pencil this into my calendar and seek travel authorization. I appreciate the opportunity to meet with Tribes and Federal Agencies to discuss the watershed assessment.

I want to thank you for responding to our Tribe's meeting invitation. The Tribes deferred discussion with the federal agencies to a November meeting, place still to be announced. It will be sometime between November 7th to the 20th. As part of our earlier email, we invite you to attend and discuss with the Tribes the status of the Bristol Bay Scientific Assessment.

Rick,
Some of the Bristol Bay Tribes will be meeting in Ekwok next week (October 3 to 5). Is there any chance you can be available to meet with them in person?
